Books for the self-employed: barbers, stylists, booth renters, cleaners, drivers, trainers and other 1099 pros

Know what you really made, and never dread tax time again

When you work for yourself, business and personal money mix, receipts get lost, and tax season becomes a scramble. Your tax preparer can only work with what is recorded. We keep your books clean every month for a flat fee, so you know your real profit and walk into tax season ready.

Built for how you work

Barbers & stylists / booth renters

- Booth or suite rent, products, tools
- Service income vs tips vs retail
- Card-reader and app fees (Square, Booksy)

Cleaners & home-service pros

- Supplies, fuel and mileage
- Income by client
- Helpers paid on 1099

Drivers, trainers, agents & others

- Platform payouts vs real profit
- Vehicle, phone, gear, fees
- Quarterly profit to plan tax payments

Two simple options

Solo monthly (best value)

\$150/month

- ✓ **Founding offer: month 1 free, months 2-3 at \$99**
- ✓ Up to 40 transactions a month
- ✓ 1 bank + 1 card account
- ✓ Monthly profit & loss
- ✓ Quarterly profit summary for estimated tax payments
- ✓ Mileage log and receipt app set up for you
- ✓ Year-end package for your tax preparer

Tax-time cleanup

\$450 one-time

- ✓ Up to 12 months, up to 400 transactions
- ✓ Bank and card statements sorted into categories
- ✓ Profit & loss for the year
- ✓ Clean package for your tax preparer
- ✓ Larger or older years quoted after a free review
- ✓ Credit toward Solo monthly if you continue

- **Growing a team or a shop?** Business plans start at \$350/month (see our main offer).
- **Founding-client offer (Solo monthly, first 10 clients or until Dec 31, 2026):** your first month is free, months 2 and 3 are \$99, then \$150/month. The free month covers the current month only (up to 40 transactions); earlier months are done as a tax-time cleanup. You sign a simple engagement letter and add a card for autopay at sign-up; cancel before month 2 and you pay nothing. After that, the plan continues month to month at the rates above until you cancel.
- **Start free:** a 15-minute call. We look at how you track money today and tell you what to fix, whether or not you hire us.

Three habits that make tax time easy (free advice)

1. One account for business

Open a separate checking account and card just for your work, even as a sole proprietor.

2. Snap every receipt

Take a photo the same day. We set up an app that files it for you.

3. Log your miles

Use a mileage app on your phone so business driving is recorded automatically.
